SUBJECT: FRENCH OFFICIALS ATTENDING NUCLEAR SECURITY  
EXERCISES - SOUTH CAROLINA

1. (SBU) On September 13, ESTH Counselor received two letters from Mr. Didier LALLEMAND, Haut Fonctionnaire de Defense ('High Civil Servant for Defense'), Ministry of Economy, Finances, and Industry, the French authority responsible for oversight of nuclear security in France, an official well and favorably known to the Embassy. The letters are addressed to Steven Aoki, DOE Undersecretary for Counterterrorism and ESTH Counselor. These letters are in French and will be faxed to Mr. Aoki's office. One responded to Mr. Aoki's invitation of September 1 for a French delegation to participate in security exercises and bilateral discussions in South Carolina from September 27-30 and indicates that the French side accepts the invitation. Lallemand, himself, regrets he will be unable to attend, but designates Mr. Eric Plaisant, his "counselor for internal security and chief of office for security and control of sensitive and nuclear materials, to lead the French delegation of nine (total) officials.

2. (SBU) The delegation will arrive Atlanta 26 September at 1350 and Columbia, South Carolina, at 1755. The delegation will stay 5 nights at:

Hotel Howard Johnson Inn  
1200 Bush Rive Road  
Columbia

Delegation will depart Columbia on Saturday, October 1, at 1308, and depart Atlanta at 1610.

3. (SBU) Mr. Lallemand also wrote (in rough translation), "The subjects of discussion which you (Aoki) propose appear to me perfectly pertinent. It would seem to us particularly productive to pursue exchanges on the questions concerning the concepts, the implementation, and progress of the exercise, notably with regard to the French experience in the matter of security exercises."

4. (SBU) The following is the list of officials in the French delegation.
